SUBJECT: **GROUP HOME PROGRAM MONITORING REPORT – HOPE HOUSE  
GROUP HOME**

We have completed a review of Hope House Group Home operated by Hope House, Incorporated. The Group Home contracts with the Department of Children and Family Services (DCFS) and the Probation Department (Probation).

Hope House Group Home is a forty-bed facility, which provides care for boys and girls ages 6-17 years who exhibit behavioral, social, and emotional difficulties. At the time of the monitoring visit, Hope House Group Home was providing services for fifteen Los Angeles County DCFS children, nineteen Los Angeles County Regional Center children, and two Alameda County DCFS children.

Hope House Group Home is located in the First District.

### **Scope of Review**

The purpose of the review is to determine whether the Agency is providing the services as outlined in their Program Statement. Additionally, the review covers basic child safety and licensing issues, and includes an evaluation of the Agency's Program Statement, internal policies and procedures, child case records, a facility inspection, and interviews with children placed in the Group Home at the time of the review. Interviews with children are designed to obtain their perspectives on the program

*"To Enrich Lives Through Effective and Caring Service"*

services provided by the Agency, and to ensure adherence to the Foster Youth Bill of Rights.

### **Summary of Findings**

The Agency is providing the services as outlined in their Program Statement.

Attached is a detailed report of the review.

### **Review of Report**

We discussed our report with the Agency's management. We thank the management and staff for their cooperation during our review.

If you have any questions, please contact me, or have your staff contact Mike Pirolo at (626) 293-1110.

## **I. Facility and Environment**

### **Method of assessment – Observation**

#### **Comments:**

Hope House Group Home is located in a residential community. The exterior of the Group Home is well maintained. The front and back yards are clean, and adequately landscaped.

The interior of the Group Home is well maintained. The common quarters are neat and clean. There is adequate furniture and lighting in the Group Home. The Group Home provides a home-like environment.

Children's bedrooms are well maintained. The rooms are clean and orderly, and have age-appropriate personalized decorations. There is adequate furniture, lighting, and storage space. Window coverings and window screens are in good repair. The mattresses are comfortable, and the beds all have a full complement of linens. Children's sleeping arrangements are appropriate.

The Group Home maintains age appropriate and accessible recreational equipment. There are also board games, a TV, and a DVD player. Books and resource materials, including a computer with a variety of programs, are also available.

The Group Home maintains a sufficient supply of perishable and non perishable foods.

### **Recommendations**

**There are no recommendations for this section.**

## **II. Program Services**

### **Method of assessment – Review of relevant documents and interviews**

**Sample size for interviews: Two**

**Comments:**

Children meet the Group Home's population criteria as outlined in their Program Statement. Children are assessed for needed services within thirty days of placement.

The treatment team develops and implements the Needs and Services Plans (NSPs) with input from the child. The NSPs are current, comprehensive, and include long and short-term goals.

Case files reflect adequate documentation to show that children are receiving treatment services as identified in their NSPs.

**Recommendations**

**There are no recommendations for this section.**

**III. Educational and Emancipation Services**

**Method of assessment – Review of relevant documents and interviews**

**Sample size for interviews: Two**

**Comments:**

Children are attending school. Children are provided with educational support and resources to meet their educational needs, and are progressing satisfactorily in school. The Group Home's program includes the development of children's daily living, self-help, and survival skills.

Children are provided with opportunities to participate in emancipation and vocational programs as appropriate.

**Recommendations**

**There are no recommendations for this section.**

**IV. Recreation and Activities**

**Method of assessment – Review of relevant documents and interviews**

**Sample size for interviews: Two**

**Comments:**

The Group Home provides children with sufficient recreational activities, and leisure time. Children are given opportunities to participate in planning activities.

Children are allowed to participate in extra-curricular, enrichment, and social activities in which they have an interest.

The Group Home provides transportation to and from the activities.

**Recommendations**

**There are no recommendations for this section.**

**V. Psychotropic Medication**

**Method of assessment – Review of relevant documents**

**Comments:**

Children have current court authorizations for psychotropic medication. Documentation confirms that children are routinely seen by the prescribing psychiatrist.

Children are informed about their psychotropic medication, and are aware of their right to refuse medication.

Medication distribution logs are properly maintained.

**Recommendations**

**There are no recommendations for this section.**

**VI. Personal Rights**

**Method of assessment –Interviews with children**

**Sample size for interviews: Two**

**Comments:**

Children are informed about the Group Home's policies and procedures. Children report that they feel safe in the Group Home, and are provided with appropriate staff supervision. Children express satisfaction with the quality of their interactions with staff, and report that staff treats them with respect and dignity.

Children report that they are assigned chores that are reasonable and not too demanding. Children are allowed to have private visitors, to make and receive personal telephone calls, and to send and receive unopened correspondence and mail. Children are able to attend religious services of their choice.

Children report that the discipline policies are consistently enforced and that there are fair and appropriate consequences for inappropriate behavior.

Children report satisfaction with meals and snacks.

Children receive voluntary medical, dental, and psychiatric care.

**Recommendations**

**There are no recommendations for this section.**

**VII. Clothing and Allowance**

**Method of assessment – Review of relevant documents and interviews**

**Sample size for interviews: Two**

**Comments:**

The Group Home provides appropriate clothing, items of necessity, and the required \$50 monthly clothing allowance to children. Children are given opportunities to select their own clothes. Clothing provided to children is of good quality and of sufficient quantity.

The Group Home provides children with the required minimum base allowance. Children are permitted to spend their allowances as they choose.

The Group Home provides children with adequate personal care items.

Children are encouraged and assisted in creating and maintaining photo albums/life books.

**Recommendations**

**There are no recommendations for this section.**
